Object: **ATTACHED TO THE REGULATIONS ON WORLD AND CONTINENTAL CHAMPIONSHIP WKSF**

REQUIREMENTS FOR PARTICIPATION IN NATIONAL TEAMS

To participate in the World and Continental Championships as a member of a National Team, a Kettlebell Sport Athlete must:

- **Being in possession of the citizenship of the Nation he intends to represent. He will then have to provide a copy of the identity document issued by a public administration of the Nation that certifies his citizenship (identity card and possibly passport).**

Or as an alternative:

- **To be in possession of a residence permit with unlimited validity for the Nation he intends to represent (of which he will have to provide a copy) as well as an identity document attesting his residence within national borders for at least three years before the competition date.**

The Athlete must deliver the documents necessary to represent a Nation in a World or Continental Championship to the Head of the National Team of the Country when requested. The Head of the National Team of the Country will also have the task of verifying the active participation of the applicant Athlete to the sporting life of the Country, for example through the presence at the National and Regional Competitions, for a period of time of at least one year before the date of the Championship.

The Athlete who is not in possession of the requirements to take part in a National Team can still take part representing the Nation subject to obtaining a written clearance issued by the Head of the National Team of the Country of which the Athlete owns the citizenship.
