

Prot. N°025

Nosate: 14 may 2018

To the attention of the referents of the National Organization affiliated to WKSF

**Subject: Application for the organization of the European Championship and the World Championship 2019.**

Dear colleagues

we hereby invite the National Organizations affiliated to WKSF to present the candidacy to organize the European Championship 2019 and the World Championship 2019.

As you already know, the goal of WKSF is to organize high quality events in every aspect, therefore, in proposing your application, we invite you to keep in mind the standards we want to have both in the competition and in the management of the event as a whole.

Some information on the WKSF standards can be found in the documents: "WKSF Presentation" and "WKSF Regulations" (*International Rules of referring of competitions WKSF*) but, before preparing the proposal, please get in contact with the President, Oleh Ilika, (e-mail: [president.wksf@gmail.com](mailto:president.wksf@gmail.com) ; whatsapp: +39 320 946 5503) in order to analyze with him the aspects related to the needs of the materials necessary for the preparation of the competition area, the equipment for the competition and any appropriate corollary services for the event with a high quality level.

If, from the checks that you will carry out, you should find the need to integrate what you already have available, the President Oleh Ilika can support you to find availability and costs of the necessary material whether you want to buy or rent them.

The candidacies, which we ask you to send to the President by e-mail no later than June 15, must be formulated on headed paper of the proposing National Organization and contain all the relevant details on how you plan to organize the event.

The final decision, regarding the assignment of the venues of the two events in question, will be taken during the WKSF General Meeting to be held for Saturday 23 June, during the first WKSF World Championship. (*a specific convocation notice will be sent*).

As far as Continental Cups and Continental Championships, every evaluation is postponed to the last quarter 2018 to have more visibility on the activities carried out in this first year of WKSF.

Looking forward to receiving your candidacies, all the best.

Secretary General WKSF, Eduardo Fonseca

President WKSF, Oleh Ilika
