

**Prot. 27/2019**

**12th of september 2019**

**To:**

**IGSF - International Gira Sport Federation**

Dear Colleagues,

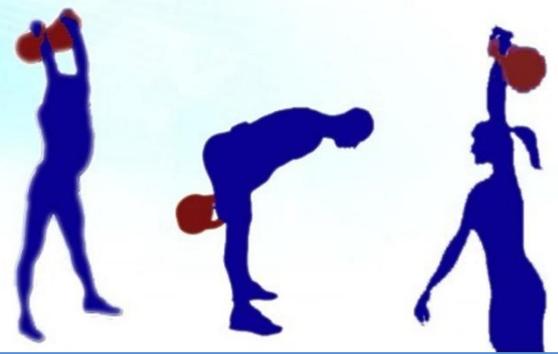

The Board of World Kettlebell Sport Federation comes to you to **invite** you to come to WKSF EUROPEAN KETTLEBELL SPORT FEDERATION 2019, to be hosted in Ukraine, Uzhgorod during 16.10.2019 and 20.10.2019.

From last World Championship hosted in Ireland and more than 400 entries we believe that WKSF is doing an amazing work to promote our lovey sport. More than 50 representatives/references in 4 continents, several Coordinators in each Continent to make Kettlebell Sport be known by as much as possible, more than 25 official competitions supported by WKSF in 2019 and our Commissions working to bring to all our community all concerns of nowadays but also the way to think our future and future of next generations on our sport. One of the examples was our Scientific Commission presenting for 1st time a study for Female lifters and think on future to change the actual panorama.

During last months and since foundation of WKSF by 24 countries, all WKSF have been doing and enourmes job. The Ranks were official recognized, the Muslim Protocols created and the Disable Protocols already created and very happy to have on our Worlds this discipline on platforms. As pionners we believe the first step was done and a great work by our Disable Commission. Also, during last months the WKSF have been contacting several international organizations to promote our sport.

- a) WKSF contacted and be presented at GAISF Info-Day 2018, Lausanne
- b) WKSF contacted and schedule a meeting with Olympic Capital, Lausanne
- c) ISNO recognition as official membership
- d) WKSF received official Membership recognition by SportRecognized, Vienna
- e) WKSF received official Membership Recognition by TAFISA
- f) WKSF were at TAFISA International Leadership Course, Seixal
- g) WKSF will be at TAFISA Congress 2018, Tokyo

To promote our sport, WKSF already worked directly with several countries (Asia and Africa) supporting and giving all necessary documents to officialize directly with national governments new clubs, associations or federations. Also, the WKSF is first international organization to recognize WKSF World Records with price

money and that way bring to Kettlebell Sport new recognitions for all athletes and also support all expenses.

Having the Mission and Values for a sport "From All and To All", the WKSF since foundation and 1st international competition did LiveStreaming of our big events, did LV of all General Meeting and that way bring all transparency and democracy to our sport. From 1st General Meeting the Executive Committee showed all Agenda to all Representatives and at end of year all WKSF Commissions did Annual Report to all Kettlebell Sport Community be able to know all steps of WKSF.

Following the wish and promise of 24 countries that founded a new international organization to have a fresh and transparent sport to all Kettlebell Sport enthusiasts, federation, associations, clubs, athletes, coaches, to bring an organization that encompasses all Kettlebell disciplines into a single federation and promote all areas of Kettlebell Sport, we believe that WKSF have now the foundations to offer to International Union Kettlebell Lifting to become a full-fledged member of WKSF and unite efforts under the handle of WKSF and bring our sport to a new democratic level.
