

Prot. 040

17th of June 2018

To:

**IUKL Board of International Union of Kettlebell Lifting
Mr. Vasily Ginko**

First of all, let our WKSF Executive Committee thank you for your kindness and honorable proposal!

WKSF was founded in 2017 with a great number of persons with several years on Kettlebell Sport, some with more than 20 years working, developing and promoting the sport that honors all of us. Other members, with a few years but doing an amazing job in their own countries trying to promote the sport.

After a few years listening, talking, sharing times, knowing new people, knowing the concerns of each club, each representative, each athlete and each nation, the creation of a new Kettlebell Sport was inevitable.

The mission of WKSF is to make all new enthusiasts become new athletes, make each club better, make each country stronger and on that way make all of us proud and honorable to face a new future for Kettlebell Sport.

Step by step, the World Kettlebell Sport Federation is achieving new goals, getting new representatives, knowing new athletes, new enthusiasts and promoting Kettlebell Sport around the world in all continents.

With a great organization, with democracy, no political issues, sharing tasks with all representatives and coordinators in each continent, with transparency and lucidity of the hard and tough works is to make it happen, the WKSF have been achieving our demands.

WKSF is organizing our 1st World Kettlebell Sport Championship and receiving almost 75% of our representatives and references countries and a total of around 300 lifters. A truly amazing effort of all and a great job has been done in last 9 months. Perhaps, more than in all last 30 years of Kettlebell Sport.

As a democratic organization and listening all Committee and all Representatives, the WKSF as a fresh and free spirit on kettlebell sport and with all kindness declines the idea for 2018. However, WKSF will bring the theme and your proposal to WKSF Annual Meeting 2019.

with friendship and all respect,

Eduardo Fonseca,
WKSF Secretary General
