

Asia Commission Report 2018

2018 WKSF ASIA OPEN was organized at July 28 to July 29, 2018 at the West Java National Sports Complex, Bandung, Indonesia.

40 lifters from 6 countries, Indonesia, Malaysia, Singapore, India, China, Taiwan are attending this event. This is the first WKSF event and the 7th time kettlebell competition in Indonesia.

This event was announced to have stricter on Judging Rules to prepare lifter for the next level competition WKSF World Championship Ireland in May 2019.

This also the first kettlebell competition that organized in more formal way than before.

This whole event organized and opened by Mr. Khrisnamurti Dwipayana as WKSF Asian coordinator, by the help of Mr. Sam Tseng Yong Lin of China Representative, Mr. Daniel Lee Han Yuan as Malaysian Representative, Mr. Chen Wei Jen as Taiwan Representative and all other lifter from India and Singapore.

The competition category is Classic 10 minutes lifting, 2 lifters at under 15 years old age, 3 Veteran lifter and Team Relay.

We have 1 Indonesian WKSF National Judge, 3 Malaysian WKSF National Judge (all certified) and Mr. Khrisnamurti Dwipayana as Head Judge. This event judging system was more standardized than ever. We will have more certified judges next year.

To sum up, this even has less lifter than years before because most of the other lifter wants to wait and see the new rules and how strict the rules are, but in the end, everyone agree that we need to bring Asian Kettlebell Competition to the next level if we want to be able to compete at World Cup, this means next year we will have more lifter compete at 2019 Asian Cup.

Next year Asia Competition will be held in Taipei, Taiwan ROC on July 26 – 28, 2019.
