

Prot: 008/2024

Milan, Italy

14th April 2024

Subject: Use of Auxiliary Equipment

All athletes must read the regular WKSF Regulations, understand and follow it as the main rules for Kettlebell Sport under the World Kettlebell Sport Federation umbrella.

Athletes with a special and specific condition to compete can use some particular and specific equipment. Equipment that does not help to improve the performance, but having some neurologic, cognitive or specific circumstances allows to maintain the concentration, focus and healthy mind to compete.

Any of the specific equipment allowed can not bring a valid excuse for any judge decision or for any kind of protest of the athlete.

Athletes under:

- . Intellectual disability at the Intellectual Impairment Category.
- . Intellectual / Cognitive Disability competing at regular categories (amateurs, masters, elite, etc...)
- . Specific circumstances, as surgery (eyes, ears, etc...) needing special attention during recovery.

Equipment allowed:

- . Sun glasses (against lights)
- . ears protections (against sound)

Permission:

Athletes with a specific diagnosis (letter) and letter from doctor asking for the use of this specific equipment in english or authenticated translation.

*Clothes with any different and specific material is always allowed under the Team Leader and Member permission. Remembering that the equipment logo, colours, name, design must be always the same for all team under the WKSF Regulations.
