Report on

WKSF Asia Oceania Kettlebell Sport Championships 2024

I would like to start with sincere thank you and gratitude for making the Pune event grand success.

This is the second time we are conducting WKSF Asia Oceania Kettlebell Sport Championships in India. Our first event was in Chembur Gymkhana, Mumbai as we conducted in Dec 2023, We thank you WKSF for the trust shown in GSIF team to conduct the Championships in India. Total of 40 disciplines was registered out of which 3 no shows during 2-day event. WKSF introduced 12' military snatch as new discipline starting this year 2024.

It was learning experience to watch MSWC, WKSF President Oleh Ilika lift at Asia Oceania event in Mumbai. On behalf of GSIF I would like to thank his participation and travel to India to help promote Kettlebell Sport.

WKSF appointed panel of judges and jury which helped us execute all the process seamless and on the time. Prize distribution took place two times on day 1 and once on day 2. WKSF contributed with customized trophy for selected Juniors and masters with best scores. GSIF organized trophies for best lifters Elite & Masters as per regulations.

We would like to thank Eduardo Fonseca, Secretary WKSF for great support on flights & protocols.

I would like take the opportunity to thank Vice president Pankaj & Pallav Srivastava for taking care of admin work for GSIF accounts, event co-ordination was done by Kavita Ghose & Parag Mhetre. Dr Kavita Choudhary & Sandeep Choudhary was host of the shows who played pivotal role right from opening ceremony to closing ceremony of the event.

2nd WKSF Asia Oceania Kettlebell Sport Championships 2024
City: Pune, Date: 8th-10th Nov2024

I would like to thank each and every state leader who has become pivotal part of federation to travel from all over the India with common goal to develop Kettlebell sport culture in respective cities.

Anti-doping:

For the second time we conducted dope test for 6 athletes and the reports was duly submitted to WKSF. This is one step ahead in the sport to display clean sport played in India and promoted in the right way for athlete's development. Total of 6 athletes mostly Elite were tested during event. All athletes tested negative.

Mission of GSIF:

To develop the Kettlebell Sport culture India wide and incorporate the fitness and sports discipline in various sports club, universities, schools and colleges. To strengthen and develop the national culture and sports relationships. Develop Kettlebell sports culture in rural area of India and find the talent who can represent state and country in World Championships in future. Provide FREE Kettlebell sport education as and when needed in future.

Closing Thoughts:

Sincere thanks for our sponsor IN2 Nutrition & Meneki Global to provide products/ prizes for prize 1/2/3 for all category during our event & heartfelt thank you for Venkys Nutrition to sponsor our event.

We are on way to build a great organization with individual roles and responsibilities so the federation grows every passing year and develops the Kettlebell sport athletes with 100% transparency.

GSIF Nationals 2025 (Qualification for WKSF World Championships Italy 2025):

We will soon announce our GSIF National Kettlebell sport event with new location and date.

The event is important from the participation as we will be having qualification for each category as per regulations.

Thank you!
Parag Mhetre
Secretary - GSIF India
