AL REPUBLICII MOLDOVA

Dear Friends.

The European Championship 2025 Kettlebell Sport Chisinau Republic of Moldova is approaching.

To help you to choose your accommodation, we have come up with a series of accommodation suggestions.

All the suggestions mentioned below include breakfast.

By accessing the link you can analyze the facilities and location of the accommodation.

All the proposed locations are located within a 10-15 min drive (depending on traffic) from the competition hall.

Even if you have identified another accommodation that meets your requirements, let us know and we will discuss with the property to offer a better price for you.

Note! Those teams that will book their accommodation through our federation will benefit from free transportation during the official competition period 04 - 08 December:

- Free transportation, airport - hotel - airport (round trip);
- Free transport hotel - competition hall - hotel (in the morning the whole team is transported to the competition hall and after the competition the whole team is transported to the accommodation).

You can contact us by email [prodandumitru82@gmail.com](mailto:prodandumitru82@gmail.com) or directly on whatsapp +37369391858 (Dumitru Prodan).

We look forward to welcoming you all to Moldova!
