

Prot. n. 044/2025

WKSF | World Kettlebell Sport Federation
Milan, Italy
15th December, 2025

Subject: Inclusion of the disciplines of 10´Elite One Arm Long Cycle Male and 10´Snatch Elite Male in the World Championship 2026.

After the inclusion of the disciplines of 10´One Arm Long Cycle Elite Male and the 10´Snatch Elite Male, as an experimental test, in the Continental Championships in 2025, it was important to align and approve the inclusion of this new disciplines to all WKSF competitions. After the approval of the inclusion of the discipline of 12´Snatch to all categories, the inclusion of this two new disciplines was important to bring a decision to the future.

After listen all Executive Committee, with the majority of votes approving the inclusion of this two new disciplines, with 10 votes of "Yes", all categories Male and Female, the Children 14-15, Young 16-18, Under-23, Amateurs, Masters and Elite, will have all disciplines available for registration and participation, as:

- 10´Two Arms Long Cycle
